

Registration Form for SafeCam Platinum Partner Integrators

Protocol for SafeCam Platinum Partner Integrators:

1. All installations shall be performed in accordance with any and all applicable laws, regulations, and ordinances that govern closed circuit television, security systems, and property protection installation.
2. Installations shall only be performed by individuals who are licensed by the Louisiana State Fire Marshal, in accordance with LRS 40:1664.7.
3. Partner integrator shall maintain a valid Louisiana State Fire Marshal License (Certificate of Firm Registration) at all times while participating in SafeCam Platinum (Program) and shall notify the City of New Orleans (City) and the New Orleans Police & Justice Foundation (NOPJF) immediately of any license status change(s).
 - a. The partner integrator shall provide an updated State Fire Marshal License annually, prior to the date of expiration.
4. Partner integrator shall maintain liability and worker's compensation insurance at all times while participating in this program and shall notify the City and the NOPJF immediately of any insurance status changes.
 - a. In the event that worker's compensation insurance is not required because the partner integrator is an owner-operated business with no employees, and at any time the partner integrator hires any employees, the partner integrator is required to:
 - i. Immediately notify the City and the NOPJF
 - ii. Furnish two certificates of insurance for worker's compensation – one listing the City and one listing the NOPJF as an additional insured party on the policy
 - b. The partner integrator shall provide updated certificates of insurance to the City and NOPJF annually, prior to the date of expiration.
5. Partner integrator shall provide certificates of insurance to the City and NOPJF, as described above, for any sub-contractors that the partner integrator intends to utilize.
6. Cameras installed as a part of this program shall be integrated into the City of New Orleans Real Time Crime Center (RTCC) via a compatible cloud storage platform.
 - a. In the event that the partner integrator ceases to be an authorized reseller of an integrated cloud storage platform, the partner integrator will be ineligible to further participate in the program until which time that the partner integrator can comply with this provision.
7. Partner integrators and their employees and sub-contractors shall conduct themselves in a professional manner at all times. Any infraction of this protocol may be grounds for removal from the program.
